STANDARD FORM NO. 64

Office Memorandum • UNITED STATES GOVERNMENT.

TO : Mr. J. Lee Rankin, General Counsel,
Presidential Commission

DATE: December 22, 1963

FROM : Howard P. Willens

SUBJECT: F.B.I. Report, dated December 13, 1963, entitled "Hoaxes, False Reports, and Irresponsible Reporting"

I think that a Xerox copy of this Federal Bureau of Investigation report should be made and that both copies should be made part of our files. Once the staff of the Commission is organized along the lines we have discussed, I think that the individual items set forth in this report should be reviewed by the appropriate staff member to see if any further investigation is necessary.
